

Matching feed to livestock goals

Agriculture Victoria invites livestock producers to a livestock feeding workshop conducted by Dr Paul Cusack.

Guest presenter: Dr Paul Cusack is a ruminant nutritionist, cattle veterinarian/consultant, and beef producer with post-graduate training in the intensive and extensive ruminant industries. He is currently adjunct Associate Professor at Charles Sturt University.

Australian Livestock Production Services consultancy clients cover intensive and extensive cattle and sheep enterprises throughout the eastern states and the Northern Territory.

Paul has conducted extensive research into yard weaning and lot feeding systems including major studies into Bovine Respiratory disease and is regarded as a leading expert in the field.
