Castlemaine, Campbells Creek & Chewton Flood Management Plan Expression of Interest: Application Form

The North Central Catchment Management Authority (CMA), in partnership with the Mount Alexander Shire Council, is seeking ***expressions of interest*** from community members for appointment to a Planning Steering Committee. The committee will help guide the development of the ***Castlemaine, Campbells Creek & Chewton Flood Management Plan***.

The committee will oversee the plan's development from a community perspective, ensure the plan aligns with governance requirements and provide important advice to the North Central CMA and Mount Alexander Shire Council on its communication and engagement activities.

The North Central CMA is managing the plan's development and will also seek representation from the Mount Alexander Shire Council and other government agencies to join the committee.

Thank you for your interest in applying for a position on the Steering Committee.

TERMS AND CRITERIA:

Membership is voluntary with successful applicants required to attend a minimum of six Steering Committee and two Public meetings in 2013. Committee members will also be required to read relevant project material prior to meetings and comment on additional material as requested by the Project Manager. No technical skills are required however some understanding of the flooding issues within the study area is desirable.

Why would you like to join the Steering Committee?

What local knowledge, skills or other expertise would you bring to the committee?

Are you involved in any other local committees, environmental groups, business groups or sporting clubs?

If yes, how might your local involvement be of benefit to the Steering Committee?

Do you have any suggestions for minimising the effects of flooding on the townships of Castlemaine, Campbells Creek & Chewton?

Thank you
