Events taking place every day

Bendigo Conservatory Gardens, Pall Mall

The Conservatory will be lit up orange each night to show that Bendigo says no to family violence. Orange is the colour designated by the United Nation's 'UNiTE to End Violence' campaign with the colour representing an optimistic future free from violence for all. It is also the colour chosen by the 'Victoria against Violence' program.

View a display of orange cut outs in the Conservatory Gardens representing the victims of family violence.

Enjoy the floral display of marigolds in the shape of a ribbon against family violence.
