

Project Manager

- Flexible work options
- Great Lifestyle location
- The opportunity to proactively achieve sustainable agriculture and natural resource management.

The North Central Catchment Management Authority (CMA) protects and enhances the integrity of our catchments, by working in partnership with communities to deliver enduring natural resource management outcomes. We are currently seeking an energetic and inspiring person to join our Program Delivery team as a Project Manager.

Located at our Huntly office, the purpose of the Project Manager position is to plan, implement and monitor projects that focus on sustainable agriculture. The role provides a unique opportunity to achieve productive farming whilst protecting the natural resource base through fulfilling our statutory obligations and managing irrigated and dryland agricultural projects.

The successful candidate will:

- Be experienced in the delivery of large or complex NRM projects.
- Demonstrate strong technical capability in agriculture, project reviews and assessments.
- Be a team player with excellent communication skills.
- Demonstrate strong facilitation, relationship and networking capability
- Have experience in strategic planning and coordination related to natural resource management and community partnerships.
- Be able to work across multiple timelines and projects, be self-motivated and resourceful.

This position is offered for a 12 month period and has the flexibility to be on a full-time or part-time basis.

For further information about this position, please obtain a position description from the Jobs and Tenders section of our website at www.nccma.vic.gov.au or contact David Pham at 03 9864 6097 or dpham@baysidepersonnel.com.au

Applications must include a covering letter, a current resume, and statement addressing the key selection criteria. Applications will be accepted until 5pm, Friday 16 December and may be submitted by e-mail to dpham@baysidepersonnel.com.au
