Eligibility Criteria

Grants are only available to non-profit, incorporated community groups (or groups sponsored by an incorporated organisation) that are primarily involved in natural resource management for community benefit on private land or undertaking works on public land which is leased/licensed to a group member or is/could be managed by a community group. 'Community Groups' include Landcare, Committees of Management, 'Friends of' groups, Indigenous Communities, Field Naturalists/Plant groups, golf courses, and sporting associations. Schools and Local Government are eligible to apply where they can demonstrate that they are partnering a Landcare or other non-profit community group.

To apply for any type of Second Generation Landcare Grant:

1. Check that your group meets the above eligibility criteria
2. Read the North Central CMA Second Generation Landcare Grants guidelines, and apply the General Criteria for funding to your project proposal so that your application will be looked upon favourably.

If in doubt about how to proceed, contact the North Central CMA for advice.

SECTION 2: Group Maintenance Grant Project Details

Please use black or blue ink.

Group Maintenance Grant

(See North Central CMA 2009/2010 Second Generation Landcare Grants Guidelines ref. 2.2 p7)

The \$500 grant provides general assistance to small community groups through the provision of money for expenses or 'everyday' running costs. Expenses could include insurance costs, stationery & postage, ink cartridges, post office box hire, telephone etc to help maintain groups.

Only those groups that are primarily involved in Natural Resource Management AND who do not receive funding for a Major Integrated Project are eligible to apply.

Please provide outline of what the grant money will be used for: _____
