**Join acclaimed wildlife photographer David Kleinert in a photography workshop in the Bendigo Bushland.**

David will talk about camera basics, equipment required for wildlife photography, and tips and techniques for subject matter.

A walk and talk around the Bendigo bush will put your new found photography skills into action.

Bookings are essential as places are limited to 12 per session.

To view David's work, visit his website at [www.davidkphotography.com](http://www.davidkphotography.com)

This event is sponsored by North Central Catchment Management Authority.

Please wear sturdy shoes, bring your camera, a hat, sunscreen and a smile!
