

Are there platypus in your local creeks? Would you like to know more about them?

*The North Central Catchment Management Authority (CMA)
invites you to participate in a free platypus information night.*

Dr Melody Serena from the Australian Platypus Conservancy will present an illustrated talk about the amazing platypus and how you can help monitor platypus in Serpentine Creek and the lower Loddon River.

Date: Friday 20 August
Time: 6.30pm–8.00pm (including a light supper)
Location: Durham Ox Memorial Hall, Durham Ox

Admission is free and all are welcome. Don't miss this great opportunity to come along and learn more about the habitat and biology of this unique animal.

RSVP by 5.00pm Monday 16 August 2010 to info@nccma.vic.gov.au or telephone (03) 5448 7124, indicating that you wish to attend the Durham Ox Platypus information night and outline any dietary requirements.

This information night is presented as part of the North Central CMA's 'Loddon Stressed River' project.
