

Flooding for Life

GUNBOWER FOREST

Update #1 January 2013

CONSTRUCTION UPDATE

- G-MW took possession of the Hipwell Road construction site in December 2012.
- Cultural heritage inductions for the G-MW work crew and other sub-contractors were completed prior to Christmas. The inductions are conducted by the Project's cultural heritage advisor from SKM and representatives from Yorta Yorta Nation Aboriginal Corporation. Yorta Yorta is the Registered Aboriginal Party for the Hipwell Road construction area.
- Work commenced on the relocation of the Telstra Cable at Hipwell Road.
- Sheet pile driving also commenced prior to Christmas. Sheet pile driving is expected to recommence in February 2013.
- G-MW will be re-mobilising to site in the week of 14th January 2013 following the Christmas break.
