*For the following questions please provide your feedback:*

### 2. Please select one:

- I **support** the preferred 'package of works'  
or  I **don't support** the preferred 'package of works'

(i.e. the preferred 'package of works' includes:

- the construction of a 'Western Floodway'; and
- maintenance of waterways including further clearing works;
- when the Pyrenees Highway bridge is replaced it is replaced with a larger bridge (long term option).

3. What is your opinion on preferred Mitigation Option A?

---

---

---

4. What is your opinion on the level of protection offered by Mitigation Option A?  
Note that this Option would provide for protection against a 100 year ARI flood event but would not provide full protection against a repeat of the January 2011 flood event.
