- Are you an accountant seeking a role in an organisation that makes a difference?
- Great lifestyle location
- Permanent, full-time position

NORTH CENTRAL
Catchment Management Authority
Connecting Rivers, Landscapes, People

The purpose of the North Central CMA is to protect and enhance the integrity of our catchments. Our vision is to become a benchmark organisation by working in partnership with our communities to deliver enduring natural resource management outcomes. We are currently seeking an enthusiastic and motivated person to join our Finance and Corporate Services team.

Located at our office in the heart of Bendigo you will have the opportunity to make the most of all that the city and its surrounding area has to offer. Bendigo is a place where art, sport, culture, food, wine and heritage attractions combine to make it one of the fastest growing cities in regional Victoria.

Directly reporting to the Executive Manager Finance and Corporate Services, the Financial Accountant will primarily be responsible to assist with managing the financial accounting, reporting and governance aspects of the organisations.

The essential criterion to succeed in the Financial Accountant role includes:

- several years experience in a financial accounting role, ideally in government sector organisations
- excellent written and verbal communication skills and the ability to prepare formal documentation and reports for submission to funding bodies, senior management and Board
- sound problem solving skills and the ability to undertake financial analysis and provide technical support to the organisation
- systems experience will be highly regarded
- a tertiary degree in Business or Commerce is required as a minimum and applicants with or working towards CA/CPA qualifications will be highly regarded

The successful applicant should be a team player with the ability to work within a small diverse team of people.
