

Our Region Your Patch

Have your say...

The North Central Catchment Management Authority (CMA) is seeking input and feedback from the community on the draft 2012-2018 Regional Catchment Strategy. This strategy will be used to develop projects and to seek funding to protect and enhance the environmental features that the community values the most.

With information from the community, a list of environmental priorities (see overleaf) is identified in the draft strategy. Environmental priorities include natural assets such as waterways, native flora and fauna, and soils. Come and share your opinion on the priority sites already identified in your patch at one of the ten community meetings planned (as shown below).

For a copy of the draft Regional Catchment Strategy or to have your say on-line, visit www.nccma.vic.gov.au

Date	Town	Venue
Tuesday 15 May	Carisbrook	Fire Station
Thursday 17 May	Campbells Creek	Community Centre
Monday 21 May	Daylesford	Town Hall
