About the North Central Catchment Management Authority (CMA)

The North Central Catchment Management Authority (CMA) is the lead natural resource management (NRM) agency in north central Victoria. Our vision is for sustainably managed land, water and biodiversity resources that support productive and prosperous communities now and in the future. Our Mission is that we create natural resource management partnerships and programs that deliver lasting change.

We achieve this through:

- Connecting natural resource management activities;
- Enabling active communities and;
- Supporting sound decisions with knowledge.

We pride ourselves on integrating community values in the planning and coordination of land, water and biodiversity management. To achieve this, we strive to provide a workplace and work practices that embrace and reflect the diversity of our community and support inclusion and participation by everyone. This is supported by a workplace culture built on respect that is inclusive, adaptive, and agile.

Our culture

As a public-sector entity we behave in-line with the seven core values of the Victorian Public Sector, Responsiveness; Integrity; Impartiality; Accountability; Respect; Leadership and Human Rights

In addition to the Public Sector values, we have our own unique set of values – Care; Courage and Connection.

The North Central CMA's values (and supporting behaviours) represent what our communities, stakeholders, partners, and investors can expect from us and also guide our internal interactions.

The foundation of North Central CMA's success is in the behaviours, knowledge and skill of our people. To maintain and exceed current levels of success and to chart our future direction with confidence, it is essential that we continue to employ people who are aligned to our values. Together with the appropriate skills and experience, commitment to our values is required to become a dedicated and valued member of our team.

Our operating environment

The principal statutory obligations of the North Central CMA are prescribed in the Victorian Catchment and Land Protection Act 1994 and Water Act 1989. The core function of the North Central CMA is the delivery of our accountabilities under the *Catchment and Land Protection Act and Water Act 1994*, which primarily include; Regional planning and coordination; Regional delivery; Statutory functions under Part 10 of the Water Act 1989; and Statutory functions under Part 77 of the Water Act 1989.

The North Central CMA is principally responsible for protecting and improving the health of the region's natural resources in-line with the North Central Regional Catchment Strategy (RCS) and its approved plans and sub-strategies, and delivering on its statutory responsibilities for waterway, rural drainage and floodplain management.

The North Central CMA's strategic direction is guided by Victorian and Australian Government policies including: Our Catchments, Our Communities; Water for Victoria; Protecting Victoria's Environment-biodiversity 2036; Victorian Waterway Management Strategy; Victorian Floodplain Management Strategy; Victorian Climate Change Framework; Living Murray Program, National Landcare Program and Victorian Aboriginal Affairs Framework.

The North Central CMA comprises a Board, which is directly responsible for strategic direction and which has final responsibility for the functions of the Authority.

Position objective
