About the North Central Catchment Management Authority (CMA)

The North Central Catchment Management Authority (CMA) is the lead natural resource management (NRM) agency in north central Victoria. Our vision is for sustainably managed land, water and biodiversity resources that support productive and prosperous communities now and in the future. Our Mission is that we create natural resource management partnerships and programs that deliver lasting change.

We achieve this through:

- Connecting natural resource management activities;
- Enabling active communities and;
- Supporting sound decisions with knowledge.

We pride ourselves on integrating community values in the planning and coordination of land, water and biodiversity management. To achieve this, we strive to provide a workplace and work practices that embrace and reflect the diversity of our community and support inclusion and participation by everyone. This is supported by a workplace culture built on respect that is inclusive, adaptive and agile.

Our culture

The North Central CMA's trademark is "*We are knowledgeable, engaging and reliable*". We achieve this through our commitment to the following behaviours across all areas of our organisation:

- Seek to understand
- Be honest and take responsibility
- See something, do something
- Show respect
- Actively engage

The foundation of North Central CMA's success is in the behaviours, knowledge and skills of our people. To maintain and exceed current levels of success and to chart our future direction with confidence, it is essential that we continue to employ people who are aligned to our trademark and can commit to these behaviours. Together with the appropriate skills and experience, this commitment is required to become a dedicated and valued member of our team.

Our operating environment

The principal statutory obligations of the North Central CMA are prescribed in the Victorian Catchment and Land Protection Act 1994 and Water Act 1989. The core function of the North Central CMA is the delivery of our accountabilities under the *Catchment and Land Protection Act and Water Act 1994*, which primarily include; Regional planning and coordination; Regional delivery; Statutory functions under Part 10 of the Water Act 1989; and Statutory functions under Part 77 of the Water Act 1989.

The North Central CMA is principally responsible for protecting and improving the health of the region's natural resources in-line with the North Central Regional Catchment Strategy (RCS) and its approved plans and sub-strategies, and delivering on its statutory responsibilities for waterway, rural drainage and floodplain management.

The North Central CMA's strategic direction is guided by Victorian and Australian Government policies including: Our Catchments, Our Communities; Water for Victoria; Protecting Victoria's Environment-biodiversity 2036; Victorian Waterway Management Strategy; Victorian Floodplain Management Strategy; Victorian Climate Change Framework; Living Murray Program and National Landcare Program.

The North Central CMA comprises a Board, which is directly responsible for strategic direction and which has final responsibility for the functions of the Authority.
