

Project Officer – Campaspe Woodlands

- Leading natural resource management agency
- Great lifestyle location

NORTH CENTRAL
Catchment Management Authority
Connecting Rivers, Landscapes, People

The purpose of the North Central CMA is to protect and enhance the integrity of our catchments. Our vision is to become a benchmark organisation by working in partnership with our communities to deliver enduring natural resource management outcomes. We are currently seeking an enthusiastic and motivated person to join our team as a Project Manager- Campaspe Woodlands.

Located at our Huntly office, you are minutes from all that the City of Bendigo and its surrounding area has to offer. Bendigo is a place where art, sport, culture, food, wine and heritage attractions combine to make it one of the fastest growing cities in regional Victoria.

The focus for the Project Officer role will be to liaise with land holders and Traditional Owners to protect and enhance threatened Box-Gum and Grey Box grassy woodland ecological communities within the project area. Key components central to the role will be the implementation of a devolved grants scheme, ecological monitoring, co-ordination of pest plant and animal control, facilitation of Indigenous engagement and participation, and building land managers' knowledge and skills through capacity building activities.

The successful applicant will be a team player with strong community engagement skills and demonstrated experience in the delivery of natural resource management projects.

A knowledge of and familiarity with grassy woodland ecosystems and biological monitoring principles would be advantageous.
