

**WORKSHOP #1: Thursday 14<sup>th</sup> November, 2019**

# **Climate Outlook & Regenerative Agriculture**

**For MT ALEXANDER REGEN AG GROUP (MARAG)  
Hosted by Mt Alexander Sustainability Group**

**a) The Climate Outlook workshop** with speakers and panel:

- Fiona Davis, *Farmers for Climate Action*,
- Graeme Anderson (*the climate kelpie*), *Ag Vic*, and
- Donna Cayetana, *DELWP (Bendigo)*

**Discusses the impacts of climate change in our region and relevance for soils, water, biodiversity and vegetation**

**b) The Regenerative Agriculture workshop** provides:

**Overview of regenerative agriculture, modalities, approaches and case studies and relevance to project. It will provide participants with a systems based (holistic) on-farm context for the subsequent workshops and field trials for the project. Videos and participant Q&A throughout.**

- Deane Belfield, *ECO2Sys, Facilitator*

**WHEN: Thursday 14 November 2019**

**TIME: 11am – 3pm (lunch break at 12:30pm to 1:15pm)**

**WHERE: Botanic Gardens Tea Rooms, Castlemaine**  
Between Lake Johanna and the children's playground

**Tea, coffee and fruit platter provided (byo lunch or purchase nearby)**
